Now after a 2009 2,000,000 € refit a fully commercial Malta MMA registered charter yacht. Built to DNV class she was delivered in 1987 by Lloyd's Shipping in Brisbane. As the owner has a young family he decided to make Daniella exceed the most rigorous safety standards.

Daniella has new high capacity ventilation and air-conditioning system, ensuring fresh and cool air at all times. She is fitted with the latest state-of-the-art entertainment systems.

Her large Main Saloon is ideal for gracious dining, and entertaining. All her staterooms are substantial, with the master stateroom

being positively lavish. Contemporary fabrics combined with light Oakwood creates a relaxing and inviting ambience.

A variety of seating areas offer the opportunity to join in a spirited conversation with your guests, relax with a movie or seek tranquillity with a good book. She is designed with generous outer-deck space and balanced by a luxurious, well-conceived and expensive interior. Outside the choices are almost endless. Each of her three decks are designed for care-free entertainment, thus making Daniella extremely unique for her size.
