THREE THINGS YOU MAY NOT KNOW ABOUT YACHT CHARTERING IN BRITISH COLUMBIA

1. In terms of size, the coastline and islands of BC are 50 times larger in miles than the west coast of the United States. The majority of BC coastline, its ports and villages are not accessible by mega-cruise ships, therefore, these "coastal gems" are not overrun by tourists as they are only accessible by seaplane or private vessel.
2. No part of the world has more world-class tourism diversity – cosmopolitan cities (Vancouver and Victoria), wild-life (whales, bear, moose, Eagles), skiing (Whistler), Fishing (Campbell River, Salmon Capital of the World), Luxury Lodges, Pan-Asian cuisine, The list goes on!
3. For luxury yacht charters, British Columbia is a relatively new and undiscovered cruising area to introduce to your clients. The Spirit of Two Thousand & Ten is the first true mega-yacht for charter in BC.
