

Motoryacht ANTINEA (xDEVOTION): This newly launched 143' expedition-style from Stabbert Maritime boasts 6 staterooms, plus crew of 8, and is now available for charter in **ALASKA!**

The on-deck full-beam master stateroom features a King bed, an entertainment system with 22" flat screen TV and surround sound, and the spacious en-suite has a Jacuzzi tub with shower overhead. The study is situated adjacent to the master, with a convertible Queen size sleeper sofa. Five additional staterooms can be found below decks and include four Queen staterooms, and one Twin stateroom, each with 26" flat screen TV/DVD/CD, and en-suite showers.

All staterooms are equipped with individual satellite receivers, iPod docking stations, overhead reading lights, heated towel rails, robes, and hairdryers.

ANTINEA's (xDEVOTION) interior is crisp and contemporary, boasting Brazilian cherry wood and marble throughout. The décor gives her a modern, residential feel that, in typical Pacific Northwest fashion, is equal parts formal and casual.

For those who prefer the outdoors, ANTINEA has a large semi-shaded sundeck with a Jacuzzi surrounded by large sunning pads and toys include Nautica tender, kayaks, WaveRunners, fishing equipment, and so much more.

ANTINEA is available from euro 135,000 per week, plus expenses.
