No Jet Ski!!

Motor Yacht Daniella is 33.50m in length and was built by Lloyd's Ships in 1987. She received an extensive refit in winter 2008/2009 and she is in superb condition.

Daniella has a large main saloon which is ideal for entertaining, relaxing in front of the large 77" HD projector with Blue Ray DVD player and Sunfire 5.1 sound system. Guests can alternatively entertain themselves at the game table on the aft deck. A large formal dining area adjoining the salon offers plenty of space for 8 to enjoy sumptuous cuisine from the exceptional chef, guests can dine by candle light or by soft ambient ceiling lights.

The Sky Lounge boasts one of the three movie theatre areas on the yacht. A satellite decoder offers access to hundreds of TV stations so guests have a wide variety of choice. Ipod decks are also available throughout the yacht. Entertainment systems onboard the yacht are easily controlled by the touch on the 8" Elan wireless touch screen, where you can also choose music from your iPod. Furthermore, Daniella has Playstation 3's in all staterooms, the main salon, and the sky lounge. Daniella's Sky Lounge is perfect to relax after a long day in the sun, with two inviting large sofas and a cool refreshing drink to hand.

All staterooms onboard Daniella are substantial, especially the generous master suite which features contemporary fabrics combined with light Oakwood creating a relaxing and inviting ambience. This cabin is fitted to the highest standards possible, with a Californian size bed, a roomy bathroom, and large separated closets, a writing desk and chairs. This is the ultimate cabin to retreat to after a long day at sea. The owner's stateroom also features a 69" HD projector with Blue Ray DVD player and Sunfire 5.1 soundsystem.

The remaining guests are accommodated in 3 spacious cabins (aft) including a full-beam VIP cabin, a double and a twin cabin all fitted to the highest standards with flat-screen HD TV's, DVD players, Ipod docking stations and satellite decoders with access to hundreds of TV channels. The yacht also has a new high capacity ventilation and air-conditioning system, ensuring fresh and cool air at all times.

Daniella has been refit with the idea of charter in mind with generous outdoor deck space. Each of her three decks were designed for care-free entertainment. The upper deck features an entertainment system complete with two loud speakers and all can be controlled from a touch screen. The upper deck also features a table for al fresco dining as well as comfortable seating for cocktails! The yachts sundeck offers a magnificent view of the seascape with very comfortable seating. The aft deck is very spacious and provides guests with an entertainment system and a swimming platform where you can choose from her selection of water toys which the crew are only too happy to help guests with. There is also a fresh water shower available beside the swimming platform.
